President's Ramblings

January 2021

Hi everyone,

Welcome to 2021! I'm sure we're all glad to put 2020 behind us and never speak of it again!

We've been continuing with the outdoor Sunday meetings, in-lieu of the normal Tuesday nights, which has been very popular! The last few have been at Balyang Sanctuary, which is a decent venue. In February, we'll be heading out to Eon & Maree's property, Covid restrictions pending, and March will be held at Beeac in conjunction with our Pub Run. Our existing 'on hold' Tuesday night venue, Waurm Ponds Hotel, can't accommodate us within the current social distancing regulations, so we are asking for suggestions of venues that will be able to cater for 50+ people, while conforming to the regulations. We will eventually need to go back inside once the weather turns to shite again.

Club outings a slowly starting to resume to some sort of normal again. While there are very few car shows currently, (with most of the meets that are organised, quickly shut down by the Bronze) we are getting a few things back in the calendar:

- January 31st – Belated Christmas Function, Clyde Park Vineyards & Bistro
- February 7th – Wings, Wheels & Coffee, Bacchus Marsh Aerodrome
- February 14th – Monthly meeting & Sausage sizzle, Eon & Maree's property, Swan Bay
- March 14th – Pub lunch run / Car collection tour / Monthly meeting, Beeac Hotel

We are also looking at attending the Mr. Perfect free BBQs, once we get a schedule. I'll email out details as they come to hand.

If you have any ripper ideas for future runs, please forward them along to our Events team, headed up by Darryl Mennen – plumbitalplumbing@gmail.com

See you all soon!

Tony Porter

Here and Now Appeal

Donate today to support families fighting Brain Cancer

Dear Valued Supporter

As COVID-19 effects our day-to-day lives in ways we could not have predicted, brain cancer affected families supported by Peace of Mind Foundation are at their most vulnerable.

We are living through one of the most unimaginable moments in world history. The impact of Covid-19 has closed our schools, impacted on our businesses and has vastly increased the number of unemployed across Australia.

No family is immune to this health crisis, including our Peace of Mind supporters and clients, and I want you to know that my thoughts are with you during these immensely difficult times.

Now more than ever, Peace of Mind Foundation are needed to provide 'here and now' support to our highly vulnerable brain cancer community who have been heavily impacted during this global crisis.

Meet Felicity

She is in the fight of her life against brain cancer during this pandemic. Felicity, aged 35, shares her heartbreaking story with us.

[Click this link for a video of Felicity speaking about her journey](#)

"My five gorgeous children and support from Peace of Mind Foundation, are the reason I'm still alive, I'd do anything for them.

Peace of Mind Foundation long-term support and financial programs are crucial in helping provide sustainable and ongoing support to brain cancer affected patients and families.

We are currently working in close partnership with our families and have adapted our programs to face this new challenge we are all experiencing.

We are hosting nationwide online support groups, virtual forums and providing increased financial assistance, but the demand outweighs our financial capacity.

We need your help to keep providing all our of supportive care services to people living with this life-limiting disease.

Please support our brain cancer patients and their families over the coming months with a small monthly gift of \$15
