President's Ramblings

February / March 2021

Greetings earthlings,

Just when we thought it was safe to go back in the water, along comes another hotel quarantine debacle somehow forcing the whole state into stage 4 lockdown. As a result, we had to cancel the Feb outdoor meeting / BBQ at Swan Bay. Unfortunately for the EsCARpades crew, Ray & Graeme had already purchased all of the food. Ray has managed to get all of the meat into the freezer, but they were out of pocket for the perishables. Our plan is to reschedule the BBQ as a run in the very near future! Keep an eye on your emails!

We had a fantastic run on the weekend past, with the Falcon GT Club of Victoria to the Queenscliff Brew House. We had a great turn out, as did the other club with roughly 25 cars and 60 people. The only downside was that the market was on the same day, making parking quite tricky. There were a lot of very beautiful cars, though they were spread out all over the place. It was great to catch with the Vic Club guys again, with the plan being to do more joint runs in the future.

Our March outdoor meeting / pub run is to Beeac on the 14th of March. We will have our meeting at the park in Beeac, followed by lunch at the pub and a tour of the publican's expansive car collection.

As the weather starts turning to shite again, we'll need to head back indoors for our meetings, continuing with the second Tuesday of the month tradition. The room at the Waurm Ponds Hotel is a bit small to accommodate us, in keeping with social distancing regulations. Plus they've not really given us much incentive to return. We, the committee, have a number of potential new venues, of which we've narrowed down to a couple. Only a small amount of further evaluating needs to be completed before we will lock something in. On that note, we will be sending out a brief survey to ascertain what things you feel are important for a suitable venue. The main topic being the availability of food, to enable some tucker and a chinwag prior to the meeting. The 'finalist' venues offer some very different advantages, ie: space vs bistro; & flexibility vs convenience.

In other very exciting news, as I write this, a fantastic event has been announced by the Falcon GT Club of Australia to celebrate the 50 year anniversary of the GTHO Phase 3, to be held on the 31st of October this year. They have named it "Back to Broadmeadows" which is very apt, having secured a section of the now retired Ford Broadmeadows factory. Their aim is to gather 50 Phase 3s to commemorate the 50 years, plus a collection of all other model GTs totaling 351. Keep your eyes peeled for entry details, as it will be limited. I know I definitely don't want to miss out on this prestigious event! See flyer attached in this newsletter for more info.

See you all around the traps!

Tony Porter
