President's Ramblings

May 2021

Greetings all,

It's starting to feel like we're producing a newsletter every week! Maybe time has sped up, or it's just that I'm getting old and querulous, who knows!

The rescheduled All Ford Day has been run and won, and from all reports was a massive hit! Unfortunately, I missed it for the first time in probably 20 years, due to it falling on the same weekend as the NAFGTC Delegates Conference. More about that in a bit.

Judging from the photos and feedback I've received, the venue was awesome! The increased confidence by the Ford owners due to the venue change was evident by the return to record numbers of cars attending on the day. The judging was also of it's usual very high standard, thanks to Shane and his team of Merry Men. Thank you to all those volunteers from our club who helped out with judging on the day! Also, thanks to those who put together the club display layout, going out to survey the site prior and herding the team into place early on the Sunday morning! All went well, with the exception of a bit of a squabble during set up, but hopefully the two parties can come together, call a truce and we can all move forward in the amicable spirit of the our club.

Congratulations to the trophy winners on the day:

- Big John – Best FPV GT BA-BF
- Joe Pante – Best Mustang '05 – '14
- Sam Cannistra – Runner up Falcon EF-EL

On the same weekend as the AFD, Darryl Mennen and I attended the NAFGTC Delegates Conference at the Gold Coast. While Darryl will present a detailed report of the outcomes of the conference, here's a really brief overview:

We had many agenda items to get through, as well as the AGM to hold. During the day on Friday we conducted a reconnaissance mission into Surfers to establish suitable watering holes for the upcoming Nationals, should people get thirsty while out and about. Later that arvo, we all congregated at the hotel to catch up with all of the other delegates, followed by dinner, a couple of refreshments and an early night ready for the following day's formalities. After breaky on Saturday, we got straight into the conference. Most clubs attended, albeit over Skype for SA & WA due to them being naughty and grounded from leaving their respective states. The meeting ensued until about 6pm, when we then commenced the AGM. Most of the committee was re-elected, though I suddenly ended up being Vice Chairman, not sure what happened there..... Our Greek colleagues steered to group towards a fantastic Steak & Seafood restaurant nearby, owned & run by one of their family members. What a huge and awesome meal!!

Sunday's activities were centred around a tour of the fantastic venues for the 2022 Nationals!

I'm really looking forward to Easter next year!!!!

Entries for the 19th Falcon GT Nationals held at the Gold Coast are now open:

See you all next month,

Tony Porter

Here and Now Appeal

Donate today to support families fighting Brain Cancer

Dear Valued Supporter

As COVID-19 effects our day-to-day lives in ways we could not have predicted, brain cancer affected families supported by Peace of Mind Foundation are at their most vulnerable.

We are living through one of the most unimaginable moments in world history. The impact of Covid-19 has closed our schools, impacted on our businesses and has vastly increased the number of unemployed across Australia.

No family is immune to this health crisis, including our Peace of Mind supporters and clients, and I want you to know that my thoughts are with you during these immensely difficult times.

Now more than ever, Peace of Mind Foundation are needed to provide 'here and now' support to our highly vulnerable brain cancer community who have been heavily impacted during this global crisis.

Meet Felicity

She is in the fight of her life against brain cancer during this pandemic. Felicity, aged 35, shares her heartbreaking story with us.

[Click this link for a video of Felicity speaking about her journey](#)

"My five gorgeous children and support from Peace of Mind Foundation, are the reason I'm still alive, I'd do anything for them.

Peace of Mind Foundation long-term support and financial programs are crucial in helping provide sustainable and ongoing support to brain cancer affected patients and families.

We are currently working in close partnership with our families and have adapted our programs to face this new challenge we are all experiencing.

We are hosting nationwide online support groups, virtual forums and providing increased financial assistance, but the demand outweighs our financial capacity.

We need your help to keep providing all our of supportive care services to people living with this life-limiting disease.

Please support our brain cancer patients and their families over the coming months with a small monthly gift of \$15
