## President's Ramblings

December 2021 / January 2022

Greetings fellow Falcon GT enthusiasts,

Happy New Year everyone!! I also hope you had a great Christmas, and that Santa was particularly generous this year!!

Our end of year function at the Geelong Soccer Club went off really well! We ended up with just shy of 100 people. I feel the informal format really worked a treat. Congratulations to Joe Pante on being the worthy recipient of the Bob Lock Memorial Trophy for Best Clubman! Many thanks to Kelly for all of the running around and organising such a great event and Barwon Tyre & Auto for donating the meat! Also a big thank you to Ray, Graeme & Co (Camp Quality – EsCARpades team), Morris (BM Catering), Massi (Capri Catering) and Kelly & Maree (GT Club servers) for the food prep, Paul & David for Trophies and Kat & David for organising the Mega raffle on the day, of which we donated the \$250 proceeds to Camp Quality.

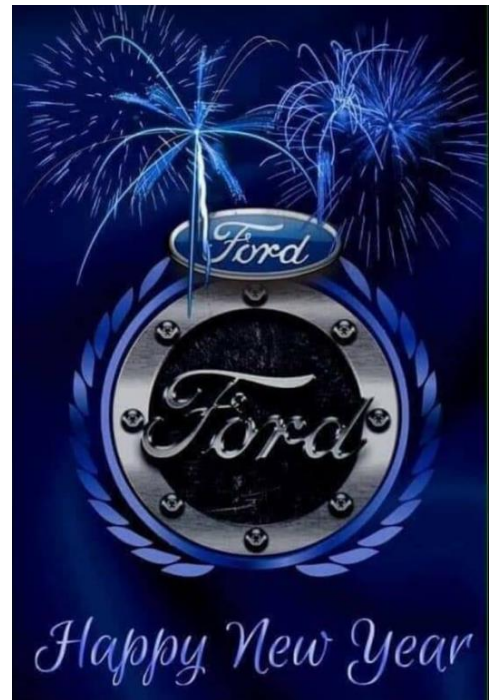

Recently, it came to the attention of the committee of a member discussing other member's personal details in a derogatory manner. Whilst this was a technically a breach of our policy and caused a lot of angst to individuals, it was let go through to the keeper. The current environment of division, created by misinformation, insane mandated restrictions and fuelled by fear, has caused the widespread strain and breakdown of friendship and family relationships. Therefore, making a big deal out this incident would only feed this wildfire. This serves as a timely reminder to members, about being familiar with and complying with our Club's Code of Conduct. This policy is contained within our club By-laws document. I will do a mass email of this document again very shortly, particularly for newer members. I acknowledge that I have been a bit remiss of making this document available to members who have joined since its last issue.

Our calendar is pretty full for the next month or so, with multiple events on every weekend until the end of Feb. Have a good look at it to set up your schedule, not everyone will be interested in everything so just work out what tickles your fancy and run with it! There's also a bunch of new stuff in the pipeline from Kel and the events committee, so stay tuned!!

Until next month,

*Tony Porter*

## Winning isn't everything.

(But 1st., 2nd., 3rd., 5th., 6th. Outright, comes pretty close.)

Last Sunday, Falcon won the Hardie-Ferodo 500 outright. Other Falcons finished 2nd, 3rd, 5th and 6th outright; captured the first 8 placings in their class; broke all previous records for the event; gave Falcon its second outright victory in a row and Ford its seventh outright victory since "The 500" began.

It was a public demonstration of unequalled reliability, unmatched performance and rugged built-in strength.

To quote Allan Moffat, immediately after the event:

"The Falcons have to be one of the strongest and best-handling production cars in the world and are capable of tremendous endurance. They could do another 500 straight-away without a spanner on them".

Which brings us to the reason why we participate in Motor Sport. We've entered every event we can. Not just to win trophies, but to show you

our confidence in the cars we build. To lay our reputation on the starting line, publicly testing and proving our product under the toughest possible conditions. To find ways of building you a car that's more reliable, stronger, better to handle and safer. A better road car.

That's the important thing; it always comes first with us. Even when we come first, second, third, fifth and sixth.

**Going Ford is the going thing.**
