President's Ramblings

April - June 2023

Greetings fellow Falcon GT enthusiasts,

The 19th Falcon GT Nationals are done and dusted for another 2 years! All of our weary travellers are back and hopefully fully recovered from this huge event, though I'm still tired! The spiritual home of the Falcon GT – Bathurst, was the venue for this year's event, which had a record breaking 429 entrants! People were obviously very "Nationals hungry" since it had been a 4 year break from the last one. We had a whopping 19 members (plus partners & offspring) making the trek up to the holy Mount Panorama. It would have been 20, but poor John Clark injured himself the day before heading off and ended up missing out on the whole thing (he's all good now). The trip up had a few dramas, firstly with the nocturnal Big John taking on another nocturnal beast in the middle of the night, which didn't end well for John, the Orange GT or the Wombat. Damage to the car was reasonably minor, compared to what it could have been! The other incident was a lot more minor; with Darryl, Mal, Jim & I getting caught in a meteor shower from a shitty old Magna towing a caravan and a small patch of screenings on the road from a recent road repair. George scored quite a few stone chips, but he's meant to be driven!

For me (and probably Darryl & Harry too) the whole event was pretty much a blur as we had Briefings and Scrutineering on both Thursday & Friday, a Delegates meeting on Thursday night for the 2025 Nationals submission, Welcome Party on the Friday night, Judges briefing and Judging all day Saturday followed by a judges dinner. Sunday was the first relax period, watching the Conrod Supersprints, including a couple of cars bouncing off the concrete walls. Then of course the Presentation Dinner on the Sunday night, which went on into the wee hours of the morning! The Saturday concourse show was so busy and huge, that I didn't even get to see the original Phase 4 in the flesh! I'm most disappointed about that!

The weather started off really cold and then progressed to freezing! There was almost no rain, but the snow & ice felt like it was very near, especially throughout the day on Sunday! For the early morning starts, we were treated to -3 deg C temps.

Congratulations go to the following members who picked up trophies/awards:

- John Calleja – Winner, BF GT Original Unrestored.
- Bill Aitken – Platinum award, EL GT
- Max Busbridge – Silver Certificate, XB GT
- Harry Hatsi – Silver Certificate, XY GT Original Restored
- Stuey Sims – Silver Certificate, XY GT Original Unrestored

And commiserations:

- John Calleja – Winner, Hard Luck Award.

The other notable hard luck story was the poor bugger, Ken Parry. He & Jenny set off to Bathurst on the Thursday, on the tail end of a chest infection, only to have a relapse upon arriving ending up with a visit to the local hospital. Ken spent the whole weekend couped up in his motel room and missed the whole event. He ended up being transported home by mate (and new member) Bill Aitken, there was talk on Sunday night of Bill locking Ken in the car on the trailer, so as not to infect anyone else. I'm not sure how that played out. Luckily our esteemed Vice Pres, Paul Clark, came to the rescue and drove Ken's BF GT home for him. I think he managed Bathurst to Geelong in under 6 hours.....??

Over-all a fantastic event and a real credit to the organising clubs – Falcon GT Owners Club of NSW and The Grand Tourer Muscle Car Club. Many thanks for a great effort!

We're all sitting back waiting in great anticipation for the 20th Falcon GT Nationals, which will be held at Shepparton in 2025, hosted by the Falcon GT Club of Victoria.

Given that this is the second quarterly newsletter for the year, this will most likely be my last President's Ramblings. The new fresh in-coming President will hit the ground with much enthusiasm and bring the newsletters back to their monthly routine, with any luck.

Thank you so much to all of my fellow members for their support over the last many years (I've actually lost count). It will probably be a bit emotional hanging up the Presidential cloaks, but I look forward to a much needed break.

Cheerio,

Tony Porter
