President's Ramblings

April 2020

Hi all,

We are certainly living in unprecedented times! I hope everybody is keeping well, both physically and mentally. This COVID19 pandemic thing has everything shut down, except of course family outings to Bunnings or Kmart....?? WTF?? Being stuck housebound could easily send you a bit loopy.

Though it has been clearly defined that we cannot run physical Club Meetings or Outings, we are currently investigating an online video forum to hold our monthly meetings, for at least the short term. We will set up a structure and trial it at the committee level, then roll it out to everyone in time for the May meeting. Maybe we could also incorporate the technology to normal meetings once/if we ever get back to normal again.

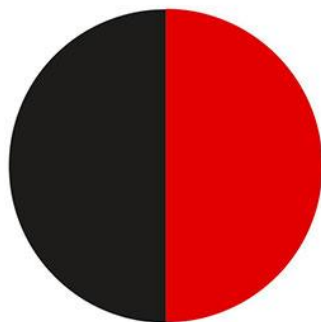

To reiterate the Club Permit situation; Currently, cars on Club Permit can be driven, but only on approved essential travel, eg: Supermarket, medical, etc. These vehicles may be viewed as "Recreational" by some, so unless you need to use them, the best thing is to leave them tucked up in bed at home.

Until next month,

Tony Porter

Valued Clients,

As you all know, my travel business is currently sitting on hold until the travel ban gets lifted, so recently I have started a new business venture with Jason helping family and friends save money on services such as gas, electricity, phone, internet and many more for residential and business services.

Thanks, Josie
