President's Ramblings

May 2020

Hi all,

Here's hoping this newsletter finds everybody fit & well and that nobody has been eaten alive by Zombies....

We conducted a very informal May Club meeting via Zoom. Once we got everything working, particularly the host, it was a worthwhile exercise for the 12 people who attended. A good catch up and chat, if nothing else. We'll give it another try for the June meeting!

Kelly has successfully applied to Consumer Affairs Victoria, for an extension to holding our 2020 Annual General Meeting. We have been granted an extension to the 30th of December 2020. All things being well, we should be able to hold normal meetings by then!

Please be aware that your annual membership fee of \$60, will be due on the 30th June 2020. Also note that all Club Permit holders must be financial by the 1st of July 2020 for their Club Permit to remain current. We are requesting that all membership fee renewals to be paid via bank deposit, directly into the Clubs Bank Account. This can be done at your bank, if you don't have access to internet banking.

Bendigo Bank:
BSB: 633 000
Account: 102670098

It is vital that you include your full name as a reference!!

Attached in the newsletter is a promotion for our charity - Peace of Mind. With this current crazy isolation situation, their fundraising activities have been reduced to almost nothing. Yet, there are still many people suffering from Brain Cancer, and their families, that still need help from the fantastic people at Peace of Mind. Please have a look at the promotion and help out in any way you can.

Until next month,

Tony Porter

Valued Clients,

As you all know, my travel business is currently sitting on hold until the travel ban gets lifted, so recently I have started a new business venture with Jason helping family and friends save money on services such as gas, electricity, phone, internet and many more for residential and business services.

Thanks, Josie

Donate today to support families fighting Brain Cancer

She is in the fight of her life against brain cancer during this pandemic. Felicity, aged 35, shares her heartbreaking story with us.

[Click this link for a video of Felicity speaking about her journey](#)

"My five gorgeous children and support from Peace of Mind Foundation, are the reason I'm still alive, I'd do anything for them.

Peace of Mind Foundation long-term support and financial programs are crucial in helping provide sustainable and ongoing support to brain cancer affected patients and families.

We are currently working in close partnership with our families and have adapted our programs to face this new challenge we are all experiencing.

We are hosting nationwide online support groups, virtual forums and providing increased financial assistance, but the demand outweighs our financial capacity.

We need your help to keep providing all our of supportive care services to people living with this life-limiting disease.

Please support our brain cancer patients and their families over the coming months with a small monthly gift of \$15

Dear Valued Supporter

As COVID-19 effects our day-to-day lives in ways we could not have predicted, brain cancer affected families supported by Peace of Mind Foundation are at their most vulnerable.

We are living through one of the most unimaginable moments in world history. The impact of Covid-19 has closed our schools, impacted on our businesses and has vastly increased the number of unemployed across Australia.

No family is immune to this health crisis, including our Peace of Mind supporters and clients, and I want you to know that my thoughts are with you during these immensely difficult times.

Now more than ever, Peace of Mind Foundation are needed to provide 'here and now' support to our highly vulnerable brain cancer community who have been heavily impacted during this global crisis.

2021 Falcon GT Nationals COVID-19 Statement

Email: enquiries@nafgtc.asn.au

GT Nationals Web: <http://www.gtnationals.asn.au>

National Association of Falcon GT Clubs Inc.

2021 GT Nationals and Covid 19

The NAFGTC Inc. Executive Committee has met with representatives from the 2021 GT Nationals organising committee to discuss the implications of Covid 19 Pandemic.

This outbreak had already forced a change to a Teleconference for the Conference in May as you already know.

With the end point and full impact of the pandemic being a guessing game, the organising committee are concerned about the impact this will have on the Concourse in 2021, and they feel a postponement may be inevitable.

The organising committee and the host venues have put a lot of work into preparing for the 2021 GT Nationals and all are very keen to see this go ahead and to be a success for all.

With that in mind, the decision of the NAFGTC Inc Executive Committee and the Queensland representatives is that everything is put on hold for now. The consensus was that the GT Nationals will most likely be postponed for a minimum of 6 months.

Moving forward the plan is:

- Hold monthly committee meetings to review the situation.
- The AGM needs to be held and will be a Teleconference on Sunday May 24 in the afternoon. A time that is friendly to W.A. and N.Z. will be announced shortly
- Conference to be put back until around July.
- Communication to go out to all clubs with an update after each committee meeting.
- Full delegates meeting will be held once we have some clarity.
- Entries for event and bookings for hotel are on hold. No entries etc. until a final decision is made and entries are officially opened.
- Final decision to be made no later than 6 months from today, and will be made sooner if possible.

Please ensure you confirm any information regarding the 2021 Falcon GT National Concourse event has come directly to you from either the NAFGTC Chairperson or Secretary, or the 2021 GT Nationals Chairperson. You can confirm any information by visiting the NAFGTC Inc website – www.nafgtc.asn.au If you read it on Facebook, confirm it on the NAFGTC Inc website.

During these times of great uncertainty please make sure you put the health of yourself and your loved ones first. While being involved in a club or Nationals activities can be a welcome distraction, no-one should feel compelled to continue with these activities if it compromises your health or the health of your family.

Everyone's physical and emotional health is the most important thing during this pandemic and as a group we want to see everyone come out the other side fit and well. Please ensure you reach out for any assistance you may need, there are others that can and will help.

Until our next update, stay well and stay safe.

NAFGTC Inc Executive Committee and
2021 Falcon GT Nationals Organising Committee
